

PRESCRIBING CHANGES

**The following products are not available on prescription
in Wakefield from 1st MAY**

- **Sunscreen for skin protection from UV radiation**
- **Cream for unwanted facial hair and other products that are mainly for cosmetic purposes**
- **Emollient (moisturiser) for minor skin conditions**
- **Camouflage products e.g. make-up for port wine stain birthmarks**
- **Multivitamins, where no specific deficiency has been identified**
- **Expensive brands of medicines if a suitable 'generic' alternative is available which costs less.**

Please pick up a leaflet which will inform you why these products are no longer being prescribed.

If you need advice about any medicines please contact your community pharmacist.
